This willingly agreed for the young people to conduct the services. Every one is invited to attend. Mr. and Mrs. D. Buchanan, parents of Mrs. Charlie Moran, returned to their home in Clear-

one enjoyed the entertainment very much. Girls can do as well or better than boys so prepare yourself for some real enjoyment.

Material has been placed on the ground for the construction of a new home for Mr. and Mrs. V. C. Denton on one of the most beautiful building lots on the ridge. The home, of a new type in modern architecture known as a craftsman cottage with the suggestive and inviting name "Idle Eaze," will be located a short distance north of the Kilgore seed store. The plans and specifications were made by W. T. P. Geiger, who makes a specialty of planning homes of simple beauty. On Mr. Denton's lot, are two aged and rustic cypress trees whose spreading branches reach over the lot like sentinels on guard. The home is planned to fit in the lot, and with its plain mission-like lines blend in harmony with its natural surroundings and make the home and grounds one of the most beautiful in our community.

WATER FOR ICE

A new method water treatment device is being put in by the Florida Power & Light Company at its plant south of Pahokee. The purpose is to cleanse the lake water of carbon dioxide by natural means, by having it run over ballies and exposed to the action of sunlight, instead of using chemicals. The object of the treatment is to insure the purity of the ice.

ATHLETIC NEWS

The Pahokee high school boys played a return game with West Palm Beach Tuesday afternoon. The game was very interesting for during the first four innings the score was 0-0. However West Palm Beach was very good on hunting and every time they got a man on base they would bunt and sacrifice him in West Palm Beach made four runs in the fifth inning, three in the sixth and two in the seventh, while we made only one run, so the final score was nine to one in honor of West Palm Beach. The game was played on the sugar mill diamond.

SCOUT NEWS

Carlos Humphries. Last Thursday we had our weekly scout meeting in the American Legion building, Woodrow Crawford, Dan Tabb and John Cochran passed their tenderfoot test and our patrol leader, H. Hubert, Dan Tabb and Padgett, Ellie Davis and Ernest Lindgo, chose new members from a group of boys in the troop who were absent when we dropped our patrols. While our Scoutmaster was over in one corner of the room, the boys passed their tenderfoot test, our assistant Scoutmaster reviewed the tenderfoot in the tenderfoot test and went over the second-class test with the boys.

After the meeting had broken up, we sent several boys, including James Powell, Ellie Davis and Woodrow Crawford through the belt line and then went into the arena and boxed.

CANDIDATES FOR TOWN OFFICES

In Pahokee's annual town election, to be held Tuesday, May 6, there will be three candidates for mayor, five candidates for marshal, two candidates for town clerk and five candidates for council. Heavy registration proves unusual interest in the contest.

The candidates for mayor are C. M. Todd, truck growers and broker, who served as mayor a few years ago; W. J. Larimore, the present mayor, and J. E. Hawkins, truck grower and merchant. The issue of the contest is chiefly as to strict or liberal enforcement of ordinances that regulate retail stores and personal conduct.

The candidates for marshal are W. N. Giles, T. S. Spooner, G. C. Canford, F. R. Harrison and Allen E. Edge.

The candidates for council are G. C. Inlow, Carmen Salvatore, L. L. Shirley, J. E. Cochran and J. C. Mock. Only three candidates are to be elected, as two councilmen (W. S. Stuckey and T. A. Bass) hold over.

H. Roy Lang, town clerk, candidate for re-election, is being opposed by J. P. Dempsey, a former town clerk.

By habes corpus proceeding, Dr. Charles E. Creel of Pahokee secured his release on \$5,000 bail Friday of last week after a hearing before Circuit Judge C. E. Chillingworth at which testimony was introduced tending to show that the shooting of Bernard R. Stokes, a colored man, was in self defense. The shooting of Stokes by Dr. Creel occurred on the pre-

ceding Sunday and Dr. Creel had been in jail without bond since the returning of an indictment on Tuesday charging first degree murder.

At the habes corpus hearing Friday Dr. Creel testified that he affixed that the negro swung an ax at him. Two other witnesses testified that they saw the negro pick up an ax and apparently attempt to strike at Creel with it.

What do you pay for extra equipment?

ONE of the things to find out before you decide on an automobile is this—"How much extra equipment will I have to buy and how much will it cost?" Sometimes, you know, the cost of "Extra" is added to make up for too high an allowance on a used car.

There's mighty little extra equipment on a new Ford and the prices are unusually low.

COMPARE THESE PRICES
Ford Dumpers \$15.00
Extra tire and tube 12.50
Tire lock 3.50
Rumble seat (Coupe or Roadster) 25.00

In these five items alone you save nearly \$40 from the usual charges—another instance of Ford efficiency and economy in manufacturing and distribution.
